

FISCAL MEMORANDUM
HB 180 – SB 291

April 23, 2007

SUMMARY OF AMENDMENT (004177): Deletes the language of the original bill and instead authorizes a person in Shelby County to keep his/her driver license if he/she has entered into a payment plan for fines and fees for accumulated offenses.

FISCAL IMPACT OF ORIGINAL BILL:

State Revenues – Net Impact – Not Significant

State Expenditures – Net Impact – Not Significant

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Decrease State Revenues – Not Significant

Decrease State Expenditures – Not Significant

Assumptions applied to amendment:

- Under current law, the driver license is suspended, a payment plan is established, and when the final payment of the payment plan has been made, the driver license is reinstated. The provisions of this bill will allow the driver to keep his/her driver license while the payments are being made and will result in a fewer number of driver license suspensions.
- Any decrease in state revenues as a result of collecting fewer reinstatement fees will be not significant.
- Any decrease in state expenditures as a result of suspending fewer licenses and issuing fewer reinstatements will be not significant.
